OGS Approved Preferred Source Contract

NYS State & Local Government customers:

NYSID purchases satisfy your obligation to the Preferred Source Program, which was established via Article XI, Section 162 of the New York State Finance Law in order to advance special social and economic goals related to the employment of New Yorkers with disabilities.

Under this law, when certain commodity or service offerings meet the purchasing needs of a state or local government agency, public benefit corporation and some public authorities, those purchases must be made through the Preferred Source Program. NYSID is an approved facilitating agency of the Program.
